Hampshire Athletics

President: Terry Moffatt Secretary: Mike Williams
 Chair: Mike Neighbour Treasurer: Richard Dean
 Championship Secretaries: Mike Williams and Christine Weeks

Welcome

On behalf of Hampshire Athletics may I offer you all a warm welcome to the 2018 Hampshire Athletics Track & Field Championships.

When I first moved to Hampshire in 1977 I thought that it was time to reactivate my stalled athletics career and joined Winchester and District Athletics Club as their first competing senior member (how they have grown since!) 1978 was my first Hampshire Championships and I have participated in almost every Championships since – initially as an athlete, then as an official and finally, as President, a post that I am honoured to hold for this year.

One constant in these 40 years was the quality and quantity of competitors that we have in Hampshire. Our Championships are held over two days while others can barely raise enough entries for one day and yet others hold combined championships. We have heats and finals for most track events. Our clubs and hard-working coaches can be proud of that.

A second constant in those 40 years was the quality and quantity of officials that we have in Hampshire. As an athlete I was aware of the need for officials but until I became one myself I did not appreciate the commitment and sacrifice of time that our officials bring to these and other Championships. I am sure that most of our athletes are aware of that but the point is worth reiterating.

Finally, in the background and often out of sight, are the people who made these and every other Championship happen – handling entries, dealing with queries, sorting problems, organising officials. Their names are in this programme – have a little look between events.

My best wishes to all you competitors out there. Enjoy the competition and remember that not everyone can get gold but everyone can get a personal best. May you break yours.

Terry Moffatt

President, Hampshire Athletics

From the Championship Secretaries

Mike Williams and Christine Weeks have announced their intention to retire as Track & Field Championship Secretaries once this year's Championships are over.

Are you interested in taking over this task? If so, there's an opportunity for you to shadow them over this weekend to find out what the job entails, especially on Sunday when things are rather less hectic!

Please come to the Track Room and speak to Mike for more information.

Competitors' notes, competition rules

Registration

- 1 Please collect your numbers from competitor registration in the Track Room at least one hour before your event. This is particularly important for track events so that there is enough time for competitors to be seeded when there are heats, for lanes to be drawn and for this information to be distributed to the start and finish, judges, photofinish, announcers, etc. You will wear the same numbers in all events that you have entered, so look after them and do not fold or mutilate them.
- 2 **Whether you are competing on the track or the field, you MUST report to registration before your first event on each day of competition.** Everyone competing on Sunday MUST register, even if they competed on Saturday.
- 3 **The final will be run at the scheduled heat time if insufficient competitors register on the day to justify heats.** Please note that if you report late you may be unable to run if the decision has been made to replace heats by a straight final. (If semi-finals have been scheduled but are not required, then the final will still be held at the final time.)

Competing

- 4 Athletes must wear the vest of their first-claim affiliated Club, their County or National vest, or any other Representative vest approved by UKA. (Rule 143 S 1 (4))
- 5 You are not permitted to warm up on the track until you have reported to the starter's assistant and received instructions regarding warming up.
- 6 Starting blocks are provided; personal blocks may be used if approved by the starter's assistant.
- 7 Assistance to competitors within the competition area is forbidden and may lead to disqualification. No persons other than officials and those actually competing should be on or inside the cycle track.
- 8 Under 13 and Under 15 athletes may take part in only one of the 800, 1500 or 3000 metres events on the same day.

Heats and Finals

- 9 The lane draw for heats shall be random, and the draw for subsequent rounds will be made in accordance with Rule 166. The draw for straight finals shall be random.
 - 10 **Qualification from heats** is as follows:
 - 2 heats: First three in each heat, plus the two fastest losers, to final.
 - 3 heats: First two in each heat, plus the two fastest losers, to final.
 - 4 heats: First three in each heat, plus the four fastest losers, to two semi-finals; *except* for the 800 metres, first in each heat, plus the six fastest losers to final.
 - 5 heats: First four in each heat, plus the four fastest losers, to three semi-finals.
 - 6 heats: First three in each heat, plus the six fastest losers, to three semi-finals.
- For 1500 metres:**
- 2 heats: First four in each heat, plus the four fastest losers.
- Qualification from semi-finals** is as follows:
- 2 semi-finals: First three in each semi-final, plus the two fastest losers, to final.
 - 3 semi-finals: First two in each semi-final, plus the two fastest losers, to final.

- 11 Competitors shall be excluded from participating in further events when they have qualified in preliminary rounds or heats but then do not compete further without giving a valid reason to the Referee. If a meeting extends over more than one day the exclusion shall apply to all subsequent events of the meeting. (Rule 142(4)(b)) **Therefore if you qualify for a final but do not run in it without good reason, you will not be allowed to compete again in this year's championships.**

Protests

- 12 Any protest or objection by a competitor or team against the conduct or placing of another competitor or team in any competition or relating to any matter which may develop during the carrying out of the programme, shall be made to the appropriate Referee immediately after that competition.
Every protest or objection lodged [as above] shall be made verbally by the individual competitor or by a member of the protesting Club.
The Referee shall decide any protest or objection made [as above] having reviewed all the relevant information and that decision shall be final. (Rule 146 S 1 (2))

Championship Secretary

- 13 The Championship Secretary reserves the right to make any alteration to the programme which he deems necessary.
- 14 The Association cannot accept responsibility for items of property left or lost at the meeting.
- 15 **Anyone wishing to take photographs or make video recordings must register with the Championship Secretary.**

CITY OF PORTSMOUTH ARE THIS YEAR'S BEST-REPRESENTED CLUB

749 athletes have entered these Championships, beating the 747 who entered in 1997 but short of the total for 1995 when the number of entries was in excess of 750.

City of Portsmouth AC have the highest number of entries with 128 athletes, just ahead of Southampton AC with 124 entries, followed by Winchester & District 95,

Basingstoke & Mid Hants 92 and Aldershot, Farnham & District 78. For a full list of competing clubs and an index of the abbreviations used in this programme, see page 33.

As we approach the final few events, it's time to thank the officials who have given up their time to officiate over the weekend.

As usual, we depend on their knowledge and expertise without which the Championships could not be held.

We hope that the weather has been kind to us, but we know that if it has been hot or cold, wet or dry, you will all have soldiered on regardless!

CHAMPIONSHIP BEST PERFORMANCES

Seventeen new CBPs were set during last year's Championships.

Two records that were set during the 1980s were beaten by substantial amounts. Phoebe Dowson's throw in the Senior Women's Discus was nearly five metres further than the effort of Southampton & Eastleigh's Jayne Curtis in 1984, and Zak Mahamed's time in the Under 17 Men's 3000 metres took nearly six seconds off Malcolm Campbell's time in 1987 for Winchester & District.
