

**SURREY SCHOOLS CROSS-COUNTRY: PRIORY PARK, REIGATE – 23rd JANUARY, 2016
DIRECTIONS, PARKING AND OTHER INFORMATION**

Many competitors / supporters will approach via the A217 (Reigate Hill) or A25. Once you reach the Reigate one way system (see schematic below: a full course map is on the Surrey Schools AA website at <http://www.ssa.org.uk/>), follow it until the Esure offices are your right: as you pass these, you will need to follow signs to **Gatwick**. After the traffic lights by Esure, keep to the left and take first left, signposted to Gatwick, into **Bancroft Road** where, on the right, there is **Multi-Storey Pay & Display Car Park: this may well be the most convenient place to park**. Should you choose not to park there, continue, keeping in left lane past Cinema. **Left** at next lights (entrance to Morrisons Car Park is ahead – there may be spaces but a strict 2 hour limit via number plate recognition system: heavy fines / zero tolerance!), into **Bell Street**, looking for entrance to **Bell Street Car Park** approx 50m on your right. **Bell Street Car Park is Pay & Display**, but there is limited parking here, and you may wish to go round the one way system again to seek an alternative. If you decide to do that or find Bell Street Car Park is full, continue round the one way system towards the **Upper West Street Street Car Park** (also Pay & Display). If that is full too, go right round the one way system again, and try the **Town Hall Car Park** (Pay & Display on Saturdays) on your right just before Esure: you can cut through to the High Street on foot via a path at the back of the Car Park, so not a long walk to Priory Park.. Note that parking in the **Priory School Playground** is for officials only: there will be no access to that on race day via the private road in the far right corner of Bell Street Car Park.

PLEASE ALLOW ENOUGH TIME TO PARK IN REIGATE PUBLIC CAR PARKS ON ARRIVAL AND TO MAKE YOUR WAY TO THE COURSE: THERE ARE NO DEDICATED SET-DOWN FACILITIES IMMEDIATELY ADJACENT TO THE COURSE

Overflow Car Parking at Canon UK

Given the likely pressure on space in public car parks in Reigate, SSAA have again arranged for the use of the car park at Canon UK, which is c10 minutes' walk from Priory Park.. Separate directions / details for that are also posted on the SSAA website and will be distributed via District Team Managers. SSAA are most grateful to Canon UK for their assistance with this.

Toilets / Changing Facilities

Experience from past years' events shows that many runners will arrive and leave the venue, changed for racing. However changing facilities will be available as follows:

- *General use*: separate male & female changing rooms, signed to the rear of the main Priory School buildings, across the private road from the Race Headquarters (in the school gymnasium).
- *Primary Schools / U13s only*: separate boys and girls facilities, access via the Race Headquarters, as above.

There are toilets in the changing rooms as above, and public toilets in the Park Café / Pavilion, or near the entrance to Morrisons Car Park. There are also customer toilets in Morrisons superstore.

Refreshments

Light refreshments will be available outdoors, close to the start / finish area, at the Park Café / Pavilion, or in Morrisons / Reigate Town Centre.

Surrey Schools Athletic Association accepts no liability for loss or injury at these championships.
