Inter Counties Team Management Report to AGM 2017-03-17

Senior Men and Under 20 Men

County teams took part in the 2017 Championships held for the first time at Prestwold Hall, Loughborough on 11th March incorporating the World Junior Trials. It proved to be an excellent venue but possibly not quite so spectator friendly as Cofton Park Birmingham.

Hampshire fielded full teams and finished 4th In the Senior Race and 5th in the Junior Event. Andy Vernon dominated the Senior Race from Start to finish with an outstanding performance and in 2nd place with another great run came Alex Teuten Southampton AC who continues to go from strength to strength. Unfortunately our overall strength didn't get us into the team medals.

After ten years as Team Manager I have decided to retire and welcome Peter Costley of Southampton Athletics Club to take over. I wish him every success.

Colin Goater
