Secretary's Report for AGM on 6th March 2020

Firstly thank you to Stan Burton who has done an excellent job in his year as President.

Another very successful year for the county athletes, both on cross country and in track and field. A big thank you to the team managers for all their hard work throughout the year. Never the easiest of jobs but they have all done very well and this is reflected by the excellent results from all Hampshire teams. We are still in need of a team manager for the senior mens track & field team although the senior Inter Counties match is unlikely to take place this year.

I would also like to thank all those involved in the county championships, both cross country and track and field. This years cross country championships were at Fairthorne Manor, a popular course with the athletes and another successful event so very well done to all concerned. The Multi Events and track and field championships, as always, were very successful, demonstrating that we are one of the most successful counties in the country. A big thank you to all our officials and helpers, without their help we could not have staged any of these events.

Finally thank you to Stuart Horsewood who volunteered to take on the role of Administration Secretary
