Welcome

On behalf of Hampshire Athletics welcome to this weekend's 2017 Hampshire Track and Field Championships at the Mountbatten Centre, Portsmouth.

For me the term "grassroots athletics" is a very appropriate description of my journey in the sport, not least because I have clear memories of competing in what was then the Hampshire County Women's Championships on the grass track at the Southampton Sports Centre.

Much has changed since then and most for the good of the sport. However one thing that has not changed is the reputation of Hampshire as an outstanding contributor to athletics nationally — from international athletes and coaches to the strong presence of Hampshire Technical Officials at the Olympics and upcoming World Championships. This sustained excellence is not by chance but the result of much unpaid hard work and dedication from numerous volunteers across the County. I will always be proud to claim my allegiance to Hampshire.

As we enjoy what I am sure will be an excellent weekend of competition please take a few moments to remember those who sadly are not able to take their place with us this year - coaches, officials and, tragically, athletes. They will be missed but never forgotten.

Finally I recently came across the introduction my Dad wrote in the Championship programme when he was President back in 2009 and where he finished by wishing that above it would be a weekend blessed with fine weather — I echo that wish.

Janet Smith
President, 2017

From the Championship Secretaries

We've all been working on the Championships for more years than we care to remember, having racked up more than 70 years of service between us, but we're still looking forward to another weekend of competition.

We try to make these the best county championships in the country so that athletes can taste success, spectators see some thrilling athletics and everyone has an enjoyable time. We're grateful for our officials for their diligence, for the Mountbatten Centre staff who get the stadium ready, to St John Ambulance for their invaluable medical support and for all the other volunteers whose contribution makes such a difference.

Finally, we thank all the athletes, coaches, parents and families for supporting the Championships and hope that our efforts have all been worthwhile.

Christine Weeks, Mike Williams and Richard Dean
Joint Track & Field Championship Secretaries

Competitors' notes, competition rules

Registration

- 1 Please collect your numbers from competitor registration in the Track Room at least one hour before your event. This is particularly important for track events so that there is enough time for competitors to be seeded when there are heats, for lanes to be drawn and for this information to be distributed to the start and finish, judges, photofinish, announcers, etc. You will wear the same numbers in all events that you have entered, so look after them and do not fold or mutilate them.
- 2 **Whether you are competing on the track or the field, you MUST report to registration before your first event on each day of competition.** Everyone competing on Sunday MUST register, even if they competed on Saturday.
- 3 **The final will be run at the scheduled heat time if insufficient competitors register on the day to justify heats.** Please note that if you report late you may be unable to run if the decision has been made to replace heats by a straight final. (If semi-finals have been scheduled but are not required, then the final will still be held at the final time.)

Competing

- 4 Athletes must wear the vest of their first-claim affiliated Club, their County or National vest, or any other Representative vest approved by UKA. (*Rule 143 S 1 (4)*)
- 5 You are not permitted to warm up on the track until you have reported to the starter's assistant and received instructions regarding warming up.
- 6 Starting blocks are provided; personal blocks may be used if approved by the starter's assistant.
- 7 Assistance to competitors within the competition area is forbidden and may lead to disqualification. No persons other than officials and those actually competing should be on or inside the cycle track.
- 8 Under 13 athletes may not take part in both the 800 metres and 1500 metres on the same day.

Heats and Finals

- 9 The lane draw for heats shall be random, and the draw for subsequent rounds will be made in accordance with UKA Rule 166. The draw for straight finals shall be random.
- 10 **Qualification from heats** is as follows:

2 heats:	First three in each heat, plus the two fastest losers, to final.
3 heats:	First two in each heat, plus the two fastest losers, to final.
4 heats:	First three in each heat, plus the four fastest losers, to two semi-finals.
5 heats:	First four in each heat, plus the four fastest losers, to three semi-finals.
6 heats:	First three in each heat, plus the six fastest losers, to three semi-finals.

For 1500 metres:

2 heats:	First four in each heat, plus the four fastest losers.
----------	--

Qualification from semi-finals is as follows:

2 semi-finals:	First four in each semi-final, to final.
3 semi-finals:	First two in each semi-final, plus the two fastest losers, to final.

- 11 Competitors shall be excluded from participating in further events when they have qualified in preliminary rounds or heats but then do not compete further without giving a valid reason to the Referee. If a meeting extends over more than one day the exclusion shall apply to all subsequent events of the meeting. (*Rule 166 S 1 (3)*) **Therefore if you qualify for a final but do not run in it without good reason, you will not be allowed to compete again in this year's championships.**

Protests

- 12 Any protest or objection by a competitor or team against the conduct or placing of another competitor or team in any competition or relating to any matter which may develop during the carrying out of the programme, shall be made to the appropriate Referee immediately after that competition.
Every protest or objection lodged [as above] shall be made verbally by the individual competitor or by a member of the protesting Club.
The Referee shall decide any protest or objection made [as above] having reviewed all the relevant information and that decision shall be final. (*Rule 146 S 1 (2)*)

Championship Secretary

- 13 The Championship Secretary reserves the right to make any alteration to the programme which he deems necessary.
- 14 The Association cannot accept responsibility for items of property left or lost at the meeting.
- 15 **Anyone wishing to take photographs or make video recordings must register with the Championship Secretary.**

As we approach the final few events, it's time to thank the officials who have given up their time to officiate over the weekend.

As usual, we depend on their knowledge and expertise without which the Championships could not be held.

We hope that the weather has been kind to us, but we know that if it has been hot or cold, wet or dry, you will all have soldiered on regardless!
